

*Human Bodies Exhibition*

Jinwei Zhou,2021

Digital Art 1500\*1080

**Statement:**

[When the identities of humans and animals were reversed, humans were kept in zoos and museums as entertainment and protected objects.]

Welcome to the Human bodies exhibition! our exhibit displayed internal organs, organ systems of humans, and living Humans are now opening for animals! Animals who are full of curiosity about humans said that our exhibition has strengthened their knowledge of humans and called for the protection of humans.
